THE MISHAWAKA TOP AND PAINT SHOP

In the rear of J. Hunsberger's home at 126 E. Seventh st.

Now is the time to get A No. 1 paint job, one that will last and will make your car look like a new one. Ask to see our winter enclosures made out of your old top. They will give you as much comfort as a sedan. We do all kinds of trimming, recover old tops and make new ones. We make new or repair old side curtains, place door irons on side curtains to make curtains open and close with the door, making them absolutely tight and doing away with the nuisance of buttoning up fasteners after closing.

What's the use of freezing when one can have these comforts at a very low cost?
